

# American Youth Soccer Organization (AYSO) Region 1344 Player Drop and Refund Policy

**Players that drop from our league may receive a refund per the following guidelines and procedure:**

## **Guidelines:**

Any player who withdraws **prior to July 15** shall be entitled to a full refund of their registration fee, minus the AYSO National Insurance fees (\$25.00) and transaction fee (\$2.75).

Any player who withdraws **after July 15 but before their team's first practice** will receive a refund minus the cost of the uniform (\$25) AYSO National Insurance fees (\$25) and transaction fee (\$2.75).

Any player who withdraws after the first game of the season or beyond shall not be entitled to any refund of the registration fee.

## **Procedure:**

The parent requesting withdrawal from the program must **email brisbaneayso@gmail.com** to request that their child be dropped from the program. Notifying the child's coach does not constitute withdrawal from the AYSO program.

The Brisbane AYSO Registrar will notify the Region 1344 Treasurer of the amount of refund and where to send a check, or will issue a refund via credit card if possible.

## **Rainy Day/Make Up Policy**

Due to field limitations, games may not be rescheduled due to rain outs where either the city or RC closes fields due to weather. When possible, tournament games may be rescheduled based on field availability. No discount or refunds shall be made due to cancelled games.

## **Scholarship Policy**

Brisbane AYSO endeavors to provide a quality soccer experience for all eligible players. A limited number of scholarships are available to local families who are unable to afford the registration expenses. Players must complete an AYSO Scholarship Request form and submit it to [brisbaneayso@gmail.com](mailto:brisbaneayso@gmail.com). Any scholarship players who withdraw from the program will not be entitled to a refund of the AYSO National Insurance fee (\$25), nor transaction fee (\$2.75).
